# FIRST CLASS 1986

Having the title "senior" will always have a special meaning. The class of '86 was considered even more special — they were the first seniors, the first class. There were many firsts this year, the first incoming class since 1982, the first Homecoming, and the first Honor Society were just a few. The 1985-1986 school year was definitely a First Class Year for everyone all the way — the first, the finest.

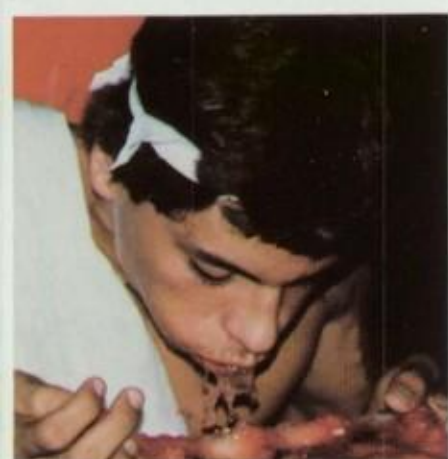

## **OPENING 4**

Just a glimpse of what the rest of the book will look like — a lot of class, style, and most of all, many memories are all part of this "First" section.

## **STUDENT LIFE 10**

All the things that make up a day for us are included in this section, at school, after school, at play, at work, the laughing and the crying.

## **WORLD EVENTS 24**

During the school year, many things took place. Here we have highlighted some of the major occurrences of the year from the best and the worst of times.

## **ACADEMICS 28**

The academics section deals with all the personnel in the school who develop our traits and qualities to make us the best possible people.

## **PEOPLE 48**

Each student at Ridgewood is featured in this section. Starting with the seniors, and ending with the freshmen, here is where our children say "Gee, you looked funny back then ..."

## **ORGANIZATIONS 94**

Here, all the clubs and groups in the school are identified. With all the work everyone has done in all these organizations, they deserve a lot of credit.

## **SPORTS 114**

The athletic departments highlighted here with all the teams and some of their scoreboards. The action has been frozen, but not cooled.

## **CLOSING 154**

Here, all of our sponsors get together and we give you one more look at what the year was like. The message is simple — just wait 'till next year.

# IN THE OF ALL

As we went along with our not-so-normal days, we were usually too busy to sit back and figure out what it all meant. It wasn't a secret that most of us were as bewildered as the rest. A day here sometimes meant rushing to school to claim that special spot in the student parking lot, or heaving a sigh of relief when your name wasn't called out over the intercom to go speak with the dean about the tardy policy. A day could also involve money, as a band member forms a single line for all the people flock to him to buy M & M's. Possibly it meant freezing in the classrooms in the fall and spring, and boiling in them in the winter. Someday maybe somebody will be able to figure out our school's erratic heating and cooling system. Only toward the end of year did we recognize the significance of all this. Suddenly, our routine days were becoming memories, and we started saying "Remember when ...?"

Above, David Parker takes a break and lets his true feelings show. To the right, Debbie Wenang and Angie Sampson have an inquisitive chat in the cafeteria. # STUDENT LIFE

What do learning, friends, spirit days, and dances have in common? That's simple. They are all a part of a student's life here at Ridgewood. In this section we have pictured these activities along with many more. Whether it be in the classroom, at a game, or some other event, we have all shared special times we'd never wish to forget. Hopefully, this section will allow our fondest memories to live on forever.

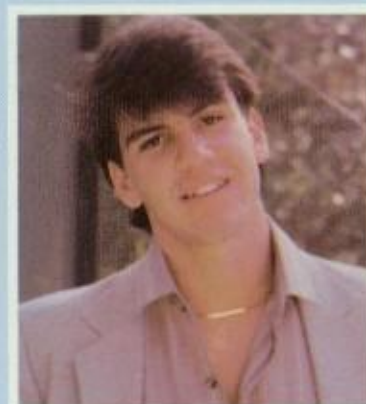

Above, Kelly Verdier seems to be thinking, "What do you mean this isn't an open book exam?" If "Girls just wanna have fun," Jeff Heyen, left, says his middle name is "Fun". Jamie Lindhorst, above right, seems to be straining. Just imagine how hard it would be if he took it off the rack.

## CRAZY DAYS & RADICAL WAYS

# SPIRIT NIGHT!

To spice up our nightlife, the student body was engaged in an evening of spirited competitions. To create wonderful memories, we needed only a few ingredients: FRIENDS LAUGHTER EXCITEMENT SUSPENSE RIVALRY and 4 AWESOME CLASSES

The recipe was simple:  
Mix the ingredients carefully. Add pie and watermelon eating contests and a rootbeer chug. Blend the muscles from a tug o' war, the endurance from a tricycle race, and the coordination from a water balloon toss. Let the crowd cool and top the masterpiece off with whipcream (right in Mr. Hulton's face!)

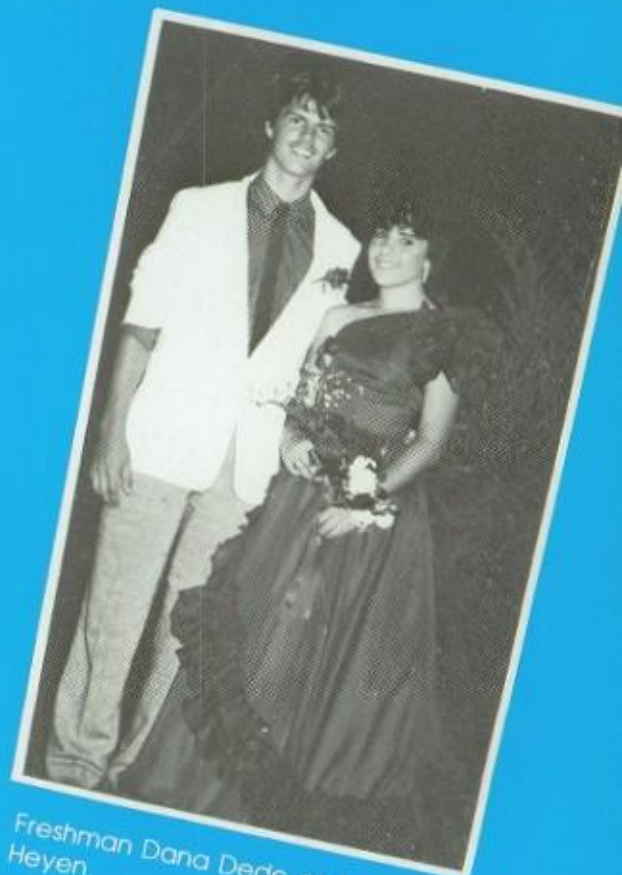

# Homecoming

Finally we have reached our destination ... the crowning of our queen! The evening was perfect and the ladies looked beautiful as the crowd, the court, and their escorts waited in great anticipation for our homecoming queen to be announced. Smiles and tears of joy were shared by all as MaryLou Orlando received the title.

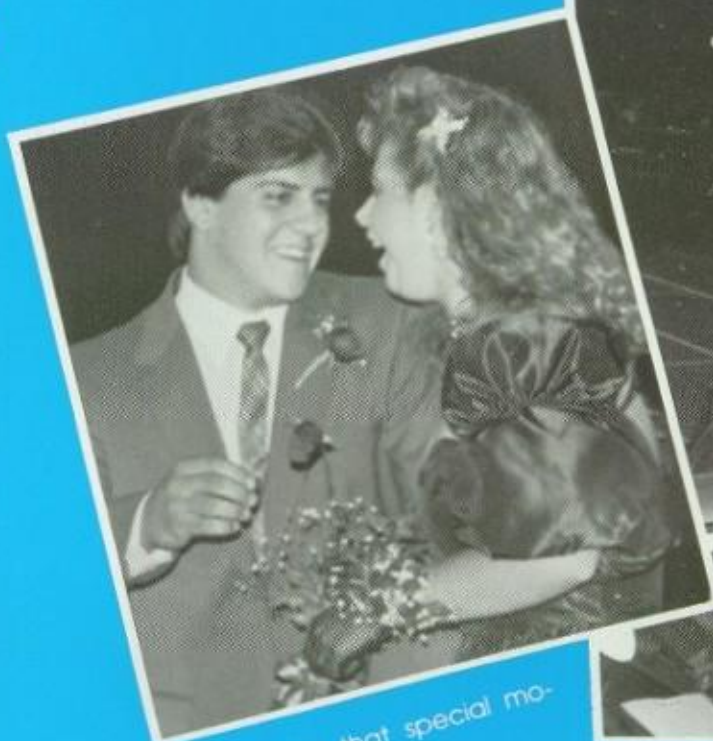

MaryLou was rewarded with an honor similar to this last year when she was crowned the 1985 Fall Football Festival queen. Twice she has been announced our queen and twice she was our first, which made the night extra special. MaryLou's name will long be remembered as the queen of our football festival, but more importantly, as the queen of "our first, our finest" homecoming!

# ELENA'S PATH

1985 was truly a year for disasters. Shown below is what happened when the Sun-Coast was visited by Hurricane Elena. To the right, an original satellite shot of Elena as she whirled closer and closer to Florida during Labor Day weekend. This photo was snapped at 10:31 AM on Sunday, September 1. Below, New Port Richey residents flock to the cafeteria during the mandatory evacuation. Below, right, residents sleep quietly on the Media Center floor. Bottom, a coastal home receives damages due to high winds and pounding waves.

Left, a resident of Armico, in the Columbian mountains, is helped by the Columbian Red Cross during rescue efforts on Friday, November 15. Below left, a Delta Airlines jetliner crash near Dallas, in August, killing 137 people. The plane was on a flight from Fort Lauderdale to Los Angeles. The plane encountered a severe wind shear as it plunged to the ground. Below right, the war in the Middle-East continues. A distraut Moslem man hugs his son moments after they survived a car bomb explosion outside a West Beirut restaurant in late August. Bottom, a series of devastating earthquakes rumbled through Mexico City in September, with a death toll in the thousands. Few in the metropolitan area of 18 million escaped the effects of the first quake, which registered 8.1 on the Richter scale.

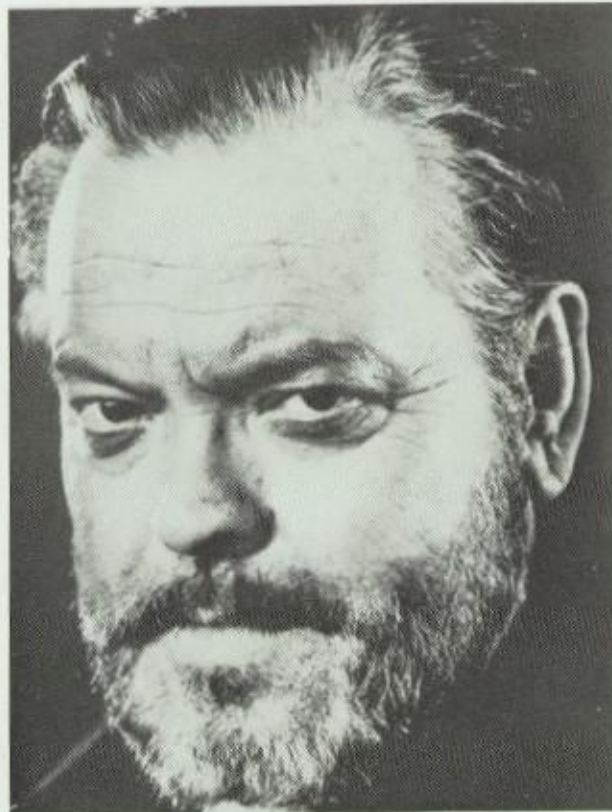

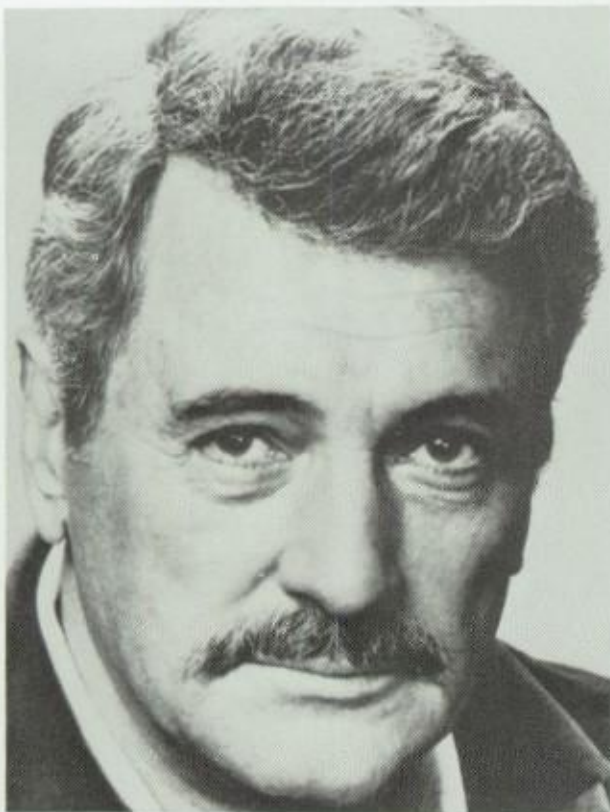

# WHAT HAPPENED

Riots were an almost daily occurrence in South Africa as blacks protested Apartheid. In photo on right, a white man runs from jeering groups of stone-throwing blacks in downtown Johannesburg as widespread violence continued to breakout throughout the country. Another attempt Apartheid came from the famed Little Richard. He and many rap and rock stars formed to release the song "SUN CITY". Below, Cincinnati Reds player-manager Pete Rose broke Ty Cobb's career hit record in September. The historic hit was No. 4,192 to break the old record. Below right, a Trans World Airlines jet with 145 passengers and eight crew members was hijacked in Athens, Greece, in June. The Shiite hijackers took the plane to Beirut, then to Algeria and then back to Beirut. Most of the hostages were released within days but the remaining 39 hostages were held for 17 days. One American hostage was killed.

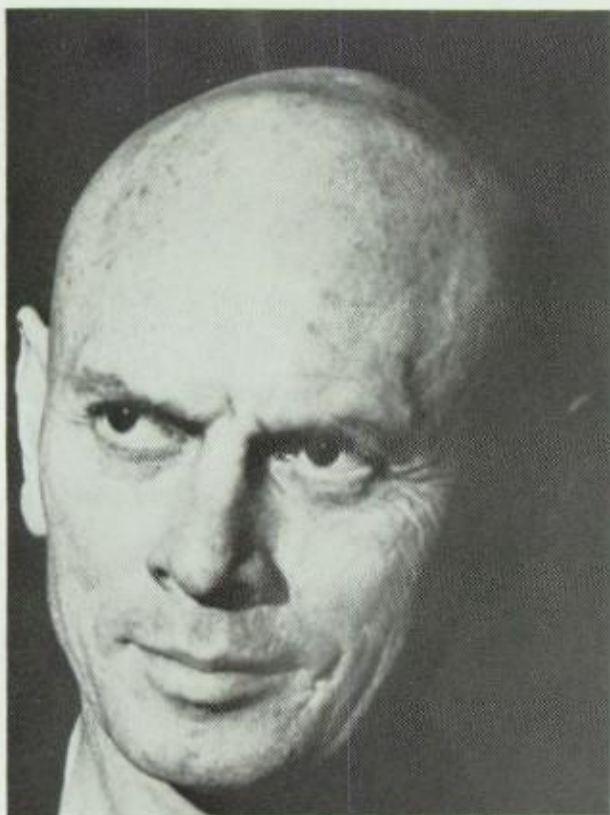

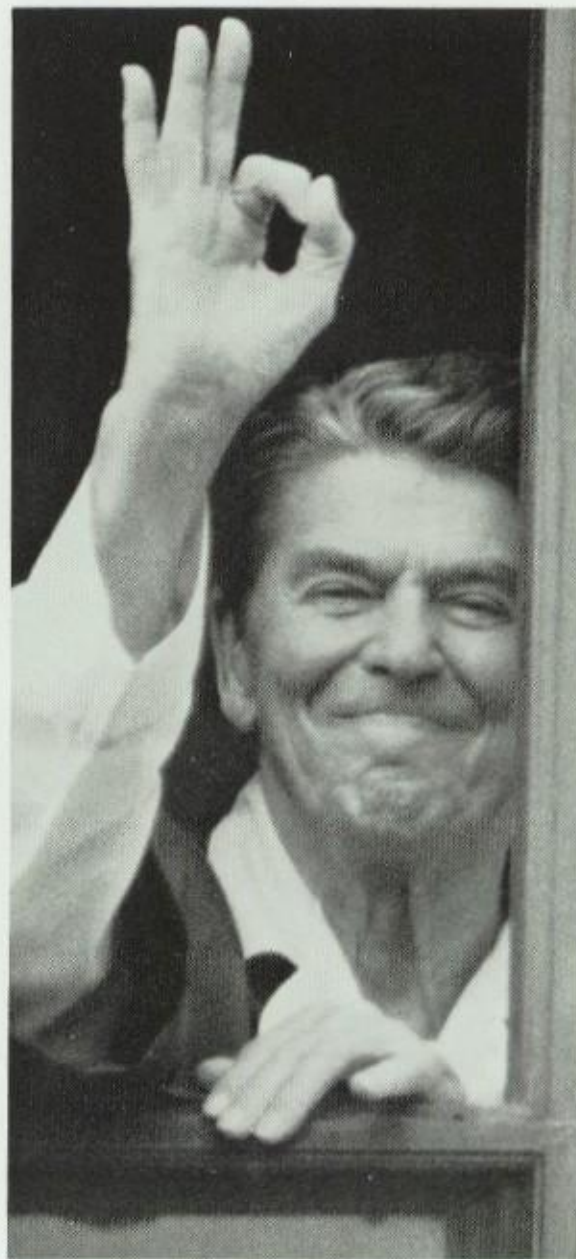

# PEOPLE IN THE NEWS

Left, four prominent actors died in late 1985: Rock Hudson, (T-L) 59, after a battle with AIDS; Orson Welles, (T-R) 70, of a heart attack; Yul Brenner, (B-L) 65, of cancer; Lloyd Nolan, (B-R) 83, after a battle with lung cancer.

# ACADEMICS

**This year with new courses and new teachers, the academic departments have done an outstanding job in their quest for excellence for the first graduating class. The teachers have been diligently working with students, helping them comprehend the information that they will need after high school. So now we introduce to you, the courses and people helping the students achieve to the best of their ability.**

The 1985-86 school year will reflect many new courses within each department due to Ridgewood becoming a four year high school.

In Physical Education, many new subjects are offered: Wrestling, Aerobics, Dance, Tennis, Volleyball, Softball, and Basketball. Some new faces in the P.E. Department are Coach Schmitz, Coach Castelamare, and Coach Clum.

Our growth is not limited to the P.E. Department only as our Vocational Department has also expanded. These courses help our students learn about nursery, agriculture, construction, and graphics. One new course introduced this year in the Vocational Department is Ornamental Horticulture.

Also within our Vocational area is the Business Department. These classes help students looking for a future in business. The Business Department also offers the Future Business Leaders of America (F.B.L.A.) Club, for interested students.

The Adult Community School, held here at Ridgewood, is managed by Linda Elkins. She is assisted by Denise Bready. This way of education is held for people who want a diploma, but don't want to go to day school. The classes are held on alternate nights and are a good form of an alternate education.

The guidance office was a most familiar place among students. This office was for more than just guidance, it was also a clinic, the Career Resource Center, and a place of records and files of students. Mrs. Coburn helped aid the sick, while Mrs. Wilder and Mrs. Wipert worked with attendance and student files. Mr. Zill, Mrs. Trapp, and Mrs. Nelson helped counsel students with problems ranging from personal problems to questions on colleges. To round off this crew is a new member, Mrs. Wentz. She helps everyone with college and career plans for the future.

# FIRST CLASS SENIORS

Keith Sibo was born March 6, 1968 in Dunedin, Florida.

Keith's activities include baseball, basketball, football, and track. His awards include all conference for basketball. In football, he was selected all conference, voted most valuable player and received the coaches award. For track, he received all county, all conference, district champ, most valuable player, and coaches award. Also male athlete of the year in 1984. Last year he was chosen King Neptune for the Ramlantis Dance.

Keith says his biggest obstacle is the cross bar and his father is his inspiration. Keith's determination is due to the fact that his father held two track and field records at Gulf High School, which still stand today.

When asked about his most memorable moment, Keith replied "I remember one meet when I could barely clear 9 feet. Two days later I cleared 13 feet.

Julie Stenger was born in New York City, when she was thirteen years old, she moved to Florida and enrolled in Ridgewood Junior High.

Julie has been involved in numerous school activities. She has been a cheerleader for four years. She was a member and president of the National Junior Honor Society. This year she became a charter member of Ridgewood's National Honor Society. She represented our school at the American Legion Oratorical Contests which eventually led her to be selected for Girls State this year. Due to a Rotary Club seminar for leadership which she attended in Tampa, Julie was prepared to set up the first Interact Club at Ridgewood to which she was elected president for two years.

For her athletic activities she has earned varsity letters in track for which she ran the mile relay, 220 yard dash, and 440 relay, and in tennis for which she was an alternate.

**Keith

**Julie

**Cathy  
Clifford**

**David  
Remisiewicz**

Catherine Nan Clifford was born June 30, 1968, in Long Island N.Y. and moved here when she was four.

Cathy plays basketball, volleyball, and runs track. She was also a cheerleader in tenth grade.

Cathy really loves Ridgewood High School. She enjoys the fun, friends, and the education. Cathy feels really special to be in the first graduating class in Ridgewood history, not many people have this opportunity.

After high school, Cathy would like to play college ball, and possibly major in Marine Biology.

Cathy would just like to say "Thanks Ridgewood, you are the best place around."

David Remisiewicz was born on December 4, 1967, in Miami, Florida. His family relocated to this area, early in David's life.

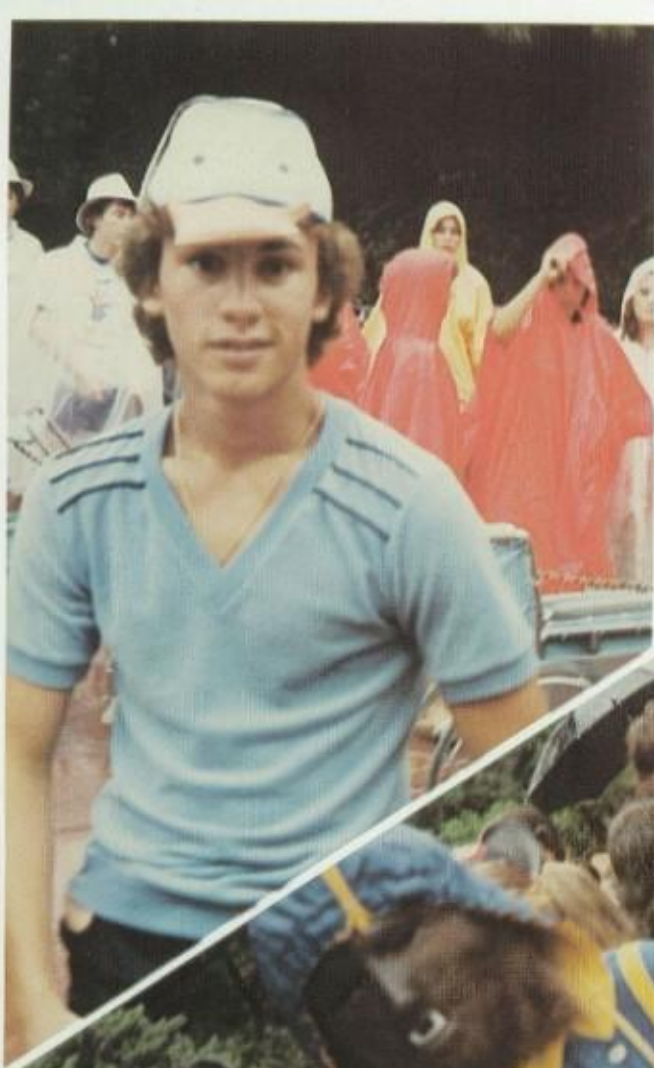

David has three major goals. He wishes to be the best person that he possibly can be. To achieve this he never completes a job without doing his best.

David wishes to become a doctor, and consequently he is doing his best in school. He has maintained a 4.0 grade point average throughout high school.

David's third major goal is to run in the 1988 Olympics, and to be the best in the world. To help achieve this goal he has run cross-country and track all four years that he has attended Ridgewood High School. He has been state ranked in both sports.

# BACK IN TIME

Remember ...  
powder puff football and those great cheerleaders.

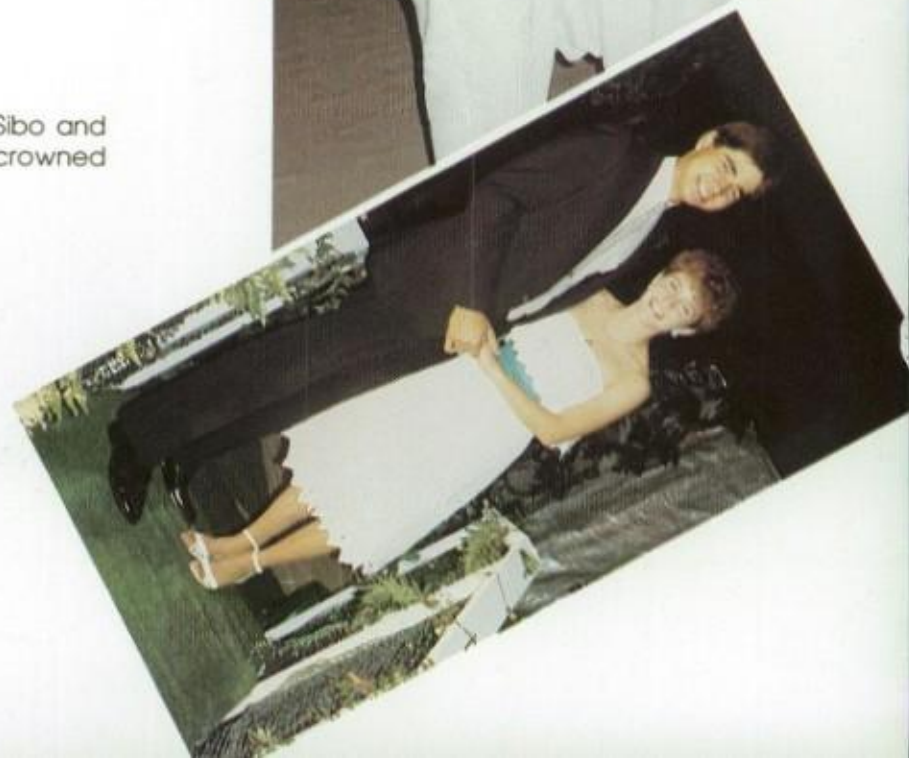

Remember ...  
Jr. Grad Night when it rained all day, but we still had a lot of fun.

## Memories

Memories like the corners of my mind  
misty, watered colored memories  
of the way we were  
Scattered pictures  
of the smiles we left behind  
that we gave to one another of the  
way we were  
can it be that it was all so simple then  
or has time rewritten every line  
if we had the chance to do it all again  
tell me would we? could we?  
memories may be beautiful and then  
It's what's too painful to remember we  
simply choose to forget  
it's the laughter we will always  
remember  
whenever we remember the way we  
were

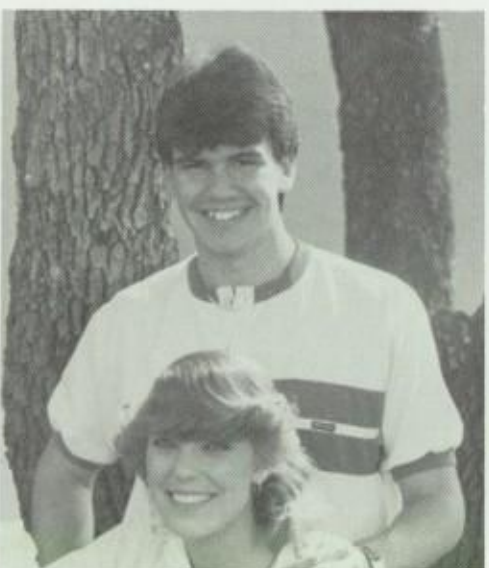

Remember ...  
Ramantis, when Keith Sibo and  
Debbie Luciani were crowned  
king and queen.

Remember ...  
Senior pictures and getting  
out of class.

# We're Great "88"

On this page every day Sophomores doing every day things. They are seen hard at work and hard at play. There are even some just posing for the camera.

As the class of "88" most of the Sophomores have been here since the seventh grade. With Juniors and seniors, they have seen Ridgewood in its transitional period changing from a Junior High to a High school. They have been at the bottom for three years and now are moving up. This in turn giving them a new sense of pride and school spirit. The class had no problems getting organized for the first time. They started out with a treasury of nothing and earned over two hundred dollars in their first week as a united class. In so doing they won second place in the Homecoming festivities.

Below is the back of the Sophomore float.

Though the Sophomore class is not the "First Class", they have truly earned the right to be recognized as first class.

The Sophomore Class would like to thank Cathy Ardizzone and Barbara Pizzo for all the help they have given them in getting started.

Christine Breviario

by: Pamela Ball

Christine was born on March 26, 1971 in Queens, New York. She is now 14 years-old. Her family moved to Florida 11 years-ago. She has one sister and two brothers. Her best friend is Joann Taylor. She has been a cheerleader for two years. She was captain of the Bayonet Point cheerleading squad in 84-85. Christine is a junior varsity cheerleader for basketball and football this year. She was on homecoming court as a freshman. Her hobbies include: cheerleading, football, and softball. Her favorite food is pizza. (like everyone elses) Her favorite subject is language arts. When she finishes high school she wants to become a fashion designer or a cosmetologist. When she gets going on her career she will get married. She wants to have twins. (boys or girls) When she finishes high school she wants to move to California. Her favorite T.V. show is Webster. She loves to go to the mall so if you're lucky you might catch up with her there.

# ORGANIZATIONS

Along with the addition of seniors to Ridgewood, came several clubs and organizations. Each aided in making Ridgewood a complete school. Among the new clubs were the newspaper club, dance company, vocal ensemble, and National Honor Society. Interact, FBLA, and the Nurserymen's Association were introduced last year, and are doing extremely well.

Top right, Jean Sheridan expresses happiness as she works in the Ramshad. Far left, Steve Martin poses for his band picture. Above, Patrice Tindall and friend assist photographers during picture day.

# FUTURE BUSINESS LEADERS OF AMERICA

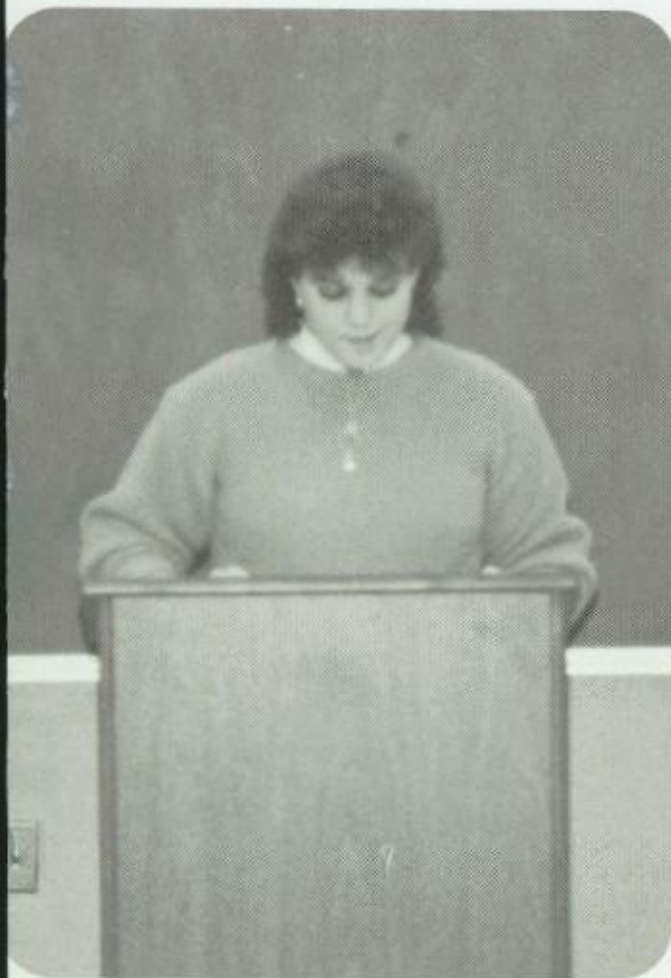

*Dawn Cisowski is installed as president of FBLA.*

*FBLA stands for Future Business Leaders of America. As an integral part of their business curriculum, students in FBLA learn to bridge the gap between the classroom and the business world. Their FBLA experiences enable them to develop character and self-confidence; establish career goals; foster an understanding of American business enterprise and become competent, aggressive business leaders of tomorrow.*

*Sponsors for FBLA this year are: Mrs. Jones, Mrs. Meyer and Mrs. Virgadamo. Officers are: Dawn Cisowski — president, Deanna Current — vice-president, Jean Marie Sheridan — recording secretary, Kim Pekarek — corresponding secretary, Trina Frank — treasurer, and Anna Reddy — reporter.*

*Sitting: Mrs. Meyer, Mrs. Jones, Jean Sheridan, Trina Frank, Deanna Current, Dawn Cisowski, and Kim Pekarek. Standing: Mrs. Virgadamo, Christine Bocker, Anthony Curtachio, Rick Wells, Kathy Dempsey, Cissy Roach, Donna Duffy, Mike Smith, Tim Winship, Keith Sibo, Mary Lou Orlando, Anthony Augugliaro, Lori DiCola, Dianna Bennett, Denise Saginario, Jeff Hallick, Cheryl Graziano, Tricia Lyons, and Robert Smith.*

# CREATORS OF OUR FONDEST MOMENTS

*Capturing the spirit, class unity, and pride of a school year is almost an impossible mission. Organizing these emotions and putting them in a yearbook is equally difficult, yet the Rampage staff has managed to accomplish this task.*

*After compiling an amalgam of pictures and captions to accompany them, the yearbook staff then practices drawing layouts, or "dummies", which later become the actual pages in the yearbook.*

*Designing the yearbook is the major function for the year, but with it, the yearbook staff also takes part in other school activities.*

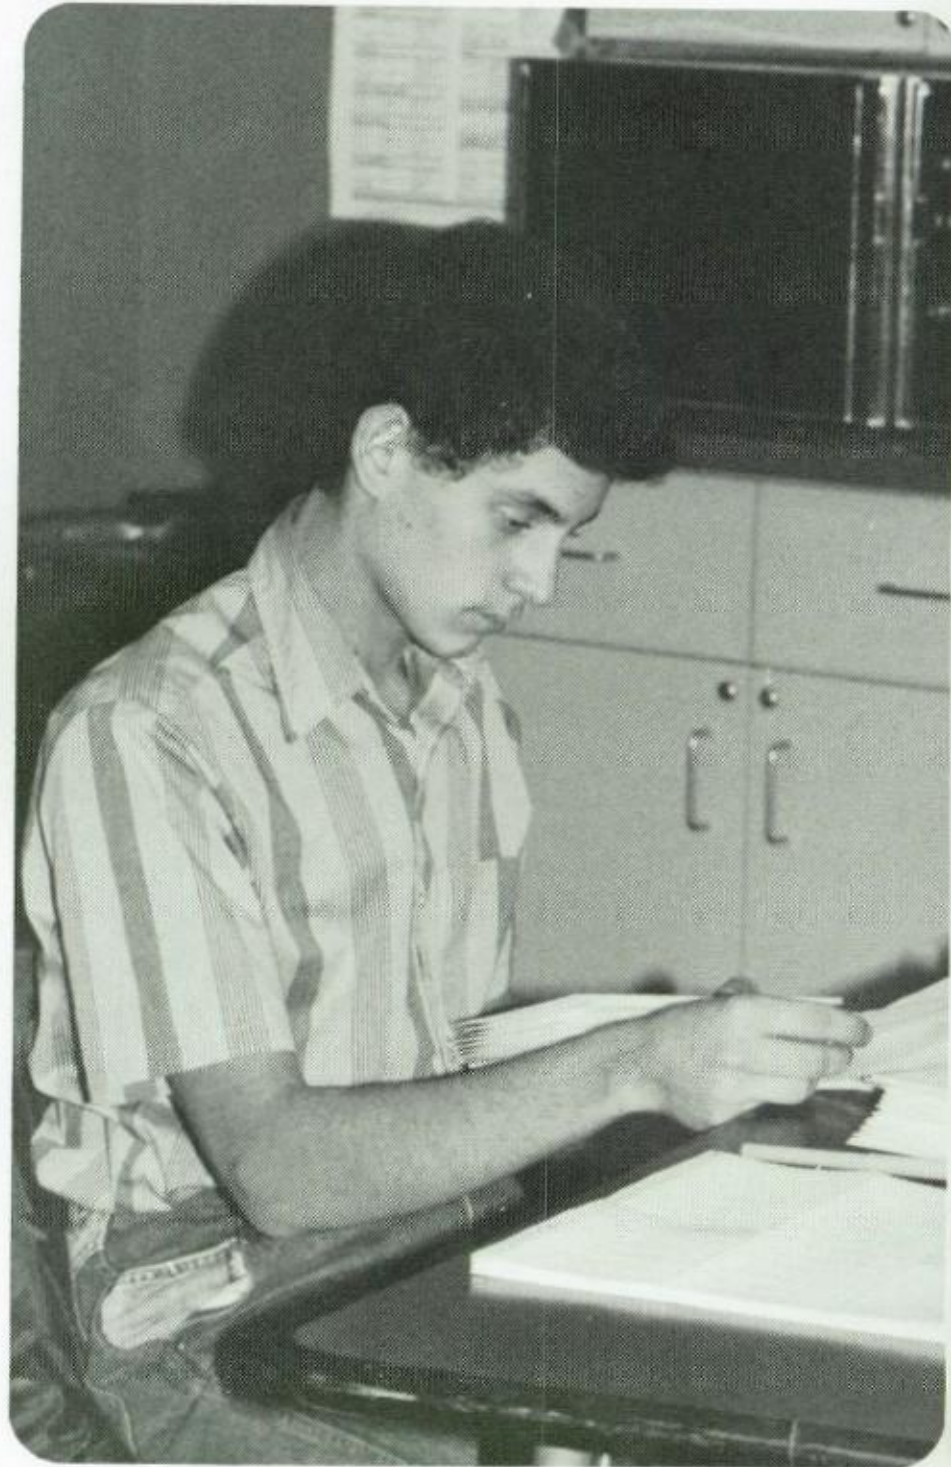

*During homecoming week, it was the yearbook staff members who decided that the school should have a "lip day", "facky tourist day", and a "50-60's day"*

*Mrs. Carol Taylor, the club's sponsor, stresses the importance of meeting deadlines and using fresh, creative ideas in layouts.*

*Working on the Rampage staff is a form of journalism, and gives its members added experience in creativity, which can be used in any field.*

*Members of the 1985-1986 Rampage staff are: Matt Molodecki, Ann Scannura, Michelle Glasbrenner, Wayne Lewis, Allison Calhoun, Stacie Faulkner, Allison Lusby, Robert Smith, Roxanne Mastrocolo, Robbie Pritchard, Mrs. Taylor, Darrell Charles, Pam Ball, Kelly Klein, Kari Byers, Sue North, Patrice Tindall, and Joe Stenger. Not pictured: Kim Celotto, Sean Sweeney, Scott Van Bumble, and Wes Ball.*

Joe Stenger works diligently on the Senior Section.

Sue North and Kelly Klein work together as "deadline time" draws near.

Members of the Rampage staff enjoy dinner out.

# LIFETIME MEMBERS

## SAYING "GOOD-BYE" TO SOME SPECIAL PEOPLE

The members of the Rampage staff would like to dedicate a special "good-bye" to 5 special seniors. These seniors have devoted much of their time here at Ridgewood to working on the yearbook staff. One may think it's an easy job, but rest assured it's not. It is a job that not only involves the need for talent, but also for creativity, dedication, and patience. For those of us that will still be here and on the staff next year, we will especially miss these people. We hope to continue to achieve the standard of excellence they have set for us over the years.

# EMERGENCY CALL . . .

Jeff Thompson, Kelly Klein, John Moschner

*As a relief valve for student output, the student council's main function is to relay student's ideas, complaints, and suggestions to the administration.*

*While carrying out this important assignment, the student council also attempts to make the school year an enjoyable one for both the faculty and student body.*

*The officers of Ken Jahrling, Bill O'Bryan, Jimi Abbey, and Sue Zerrip combined their efforts to give Ridgewood a talent show, powderpuff football game, and, as promised last year, scholarships to worthy students.*

*A special committee within the student council worked on creating a new constitution for the school. The constitution can be used as a model for other clubs to follow.*

*Mr. Petrashek and Mrs. Trapp are advisors to student council.*

# "RAMSHACK"

Mrs. Meyer takes a break from operating the Ramshack.

Nick Cusimano patiently awaits the next customer.

Quinn Kuite rings items into the cash register.

Steve Strmensky gives the customer his merchandise.

*Mrs. Maryann Meyer's business education students often prove to be invaluable to many Ridgewood students. Before school and during all three lunches they operate the school's store, or the Ramshack. They provide the necessary materials needed for most students to make it through a normal school day, such as pencils, pens, notebooks, paper, and combs. The Ramshack also offers less necessary, but equally sought after items, such as coats, spirit buttons, and handbags embossed with the school emblem. The people working behind the counter use the experience gained from working in the Ramshack to fill out better job applications and resumes. They also gain an understanding of working with the public in a consumer-/manufacturer relationship.*

# FANCY FOOTWORK

*Using the body in a poetic manner is rarely accomplished by many people, yet Ridgewood has a club which has acquired numerous girls with this ability.*

*The dance company is composed of select girls who show a general interest, and talent, for dancing.*

*Through creating individual dance routines, members of the club learn how to use the body as an expressive tool.*

*Several of the members also use cheerleading and modeling as instruments to perfect their motions, facial expressions, and voice.*

*Mrs. Vien and Mrs. Keller held tryouts in late September, and chose girls who were either talented or showed promise.*

Brenda Kwateng, Joyce Florio, and Kim Sartor practice their group routine.

Practice makes perfect for Tami Lotz, Daisy Mulero, and Christina Schultze.

# INTERACTING WITH SCHOOL AND COMMUNITY

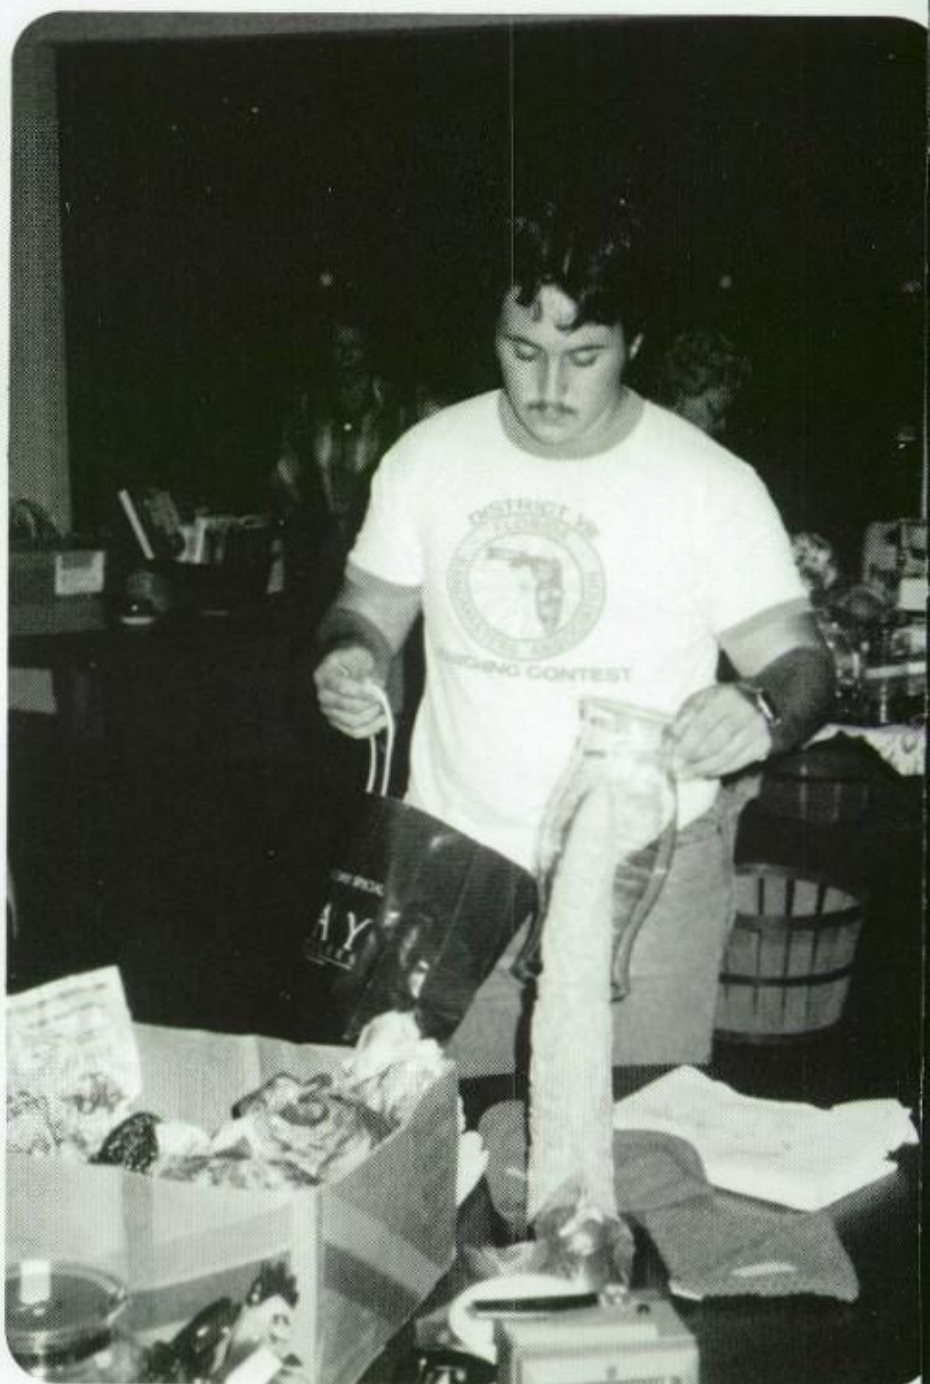

Interact, a junior form of the Rotary Club, is an academic association which allows members to become involved in national, community, and school affairs. The president of Interact, Julie Stenger, oversees the activities of the club and makes sure that all functions run smoothly. Interact is a service club, but is not for everybody. A GPA of 3.0 must be maintained for acceptance. Stuart Quint is in charge of the national section and has involved his members in the "pennies for people" project. In charge of the community section is John Cocarro. Their major project is Hospice. This is a charity organization which comforts the terminally ill. Office work and fund raising is the community section's major contribution to Hospice. Interact's project for the school is a universal format for bibliographies and footnotes. It will be used by the school to make guidelines by which teachers can set standards for their students. Mr. Perkins and Mrs. Carrabotta are the organization's sponsors. Left: Front row: Jennifer Campolettano, Lori McClarty, Tracey Herig, Susan Donato, John Oder, Sue North, Vicki Morton, Carrie Milton, Will Stevens, Katie Barabas, Charles Wetzel, Stuart Quint, Jonathon Schroeder. # GOVERNING THE STUDENT BODY

Class presidents Hedy Wenang, Amy Finotti, Bill Farkus, and Aschell Finotti.

As members of Ridgewood's upper echelon, the Senior class officers of Aschell Finotti, Keith Sibo, Susan Donato, and Rob Coury set examples for other classes to follow in future years. Traditions were also set when Ridgewood had its first Homecoming. Excellence permeated through every class function and was installed in the minds of most underclassmen. At the reins of the Senior class are Mr. Persall, Mr. Houle, and Miss Haywood.

Having played "second fiddle" to the Senior class for three consecutive years, Juniors voted for class officers who would help them face the competition. These class officers were Hedy Wenang, Katie Barabas, Lori Di-Cola, and Jeff Halick. Sponsoring this highly creative, often underemphasized class were Mrs. Coburn and Dr. Wolfe.

No longer the bottom of the heap, the Sophomore class officers of Amy Finotti, Mike Holden, Christy Douthitt, and Robbie Pritchard incorporated numerous ideas which were generated during their Freshman year at Ridgewood. Homecoming was a phenomenal success in showing their incorporation of these ideas. Sponsoring the Sophomore class were Mrs. Ardizzone and Mrs. Pizzo.

As members of the '85 Freshman class offices, Bill Farkas, Chuck Basile, Amy O'Brien, and Jason Wandek strived to prove that Freshmen students do make a difference at Ridgewood. Throughout the year, the Freshman class struggled to keep the pace of the more advanced classes; never receiving the recognition they thought they deserved. Class sponsors were Mrs. Deroy and Mrs. Bavetta.

# NURSERYMAN'S ASSOCIATION — FFA

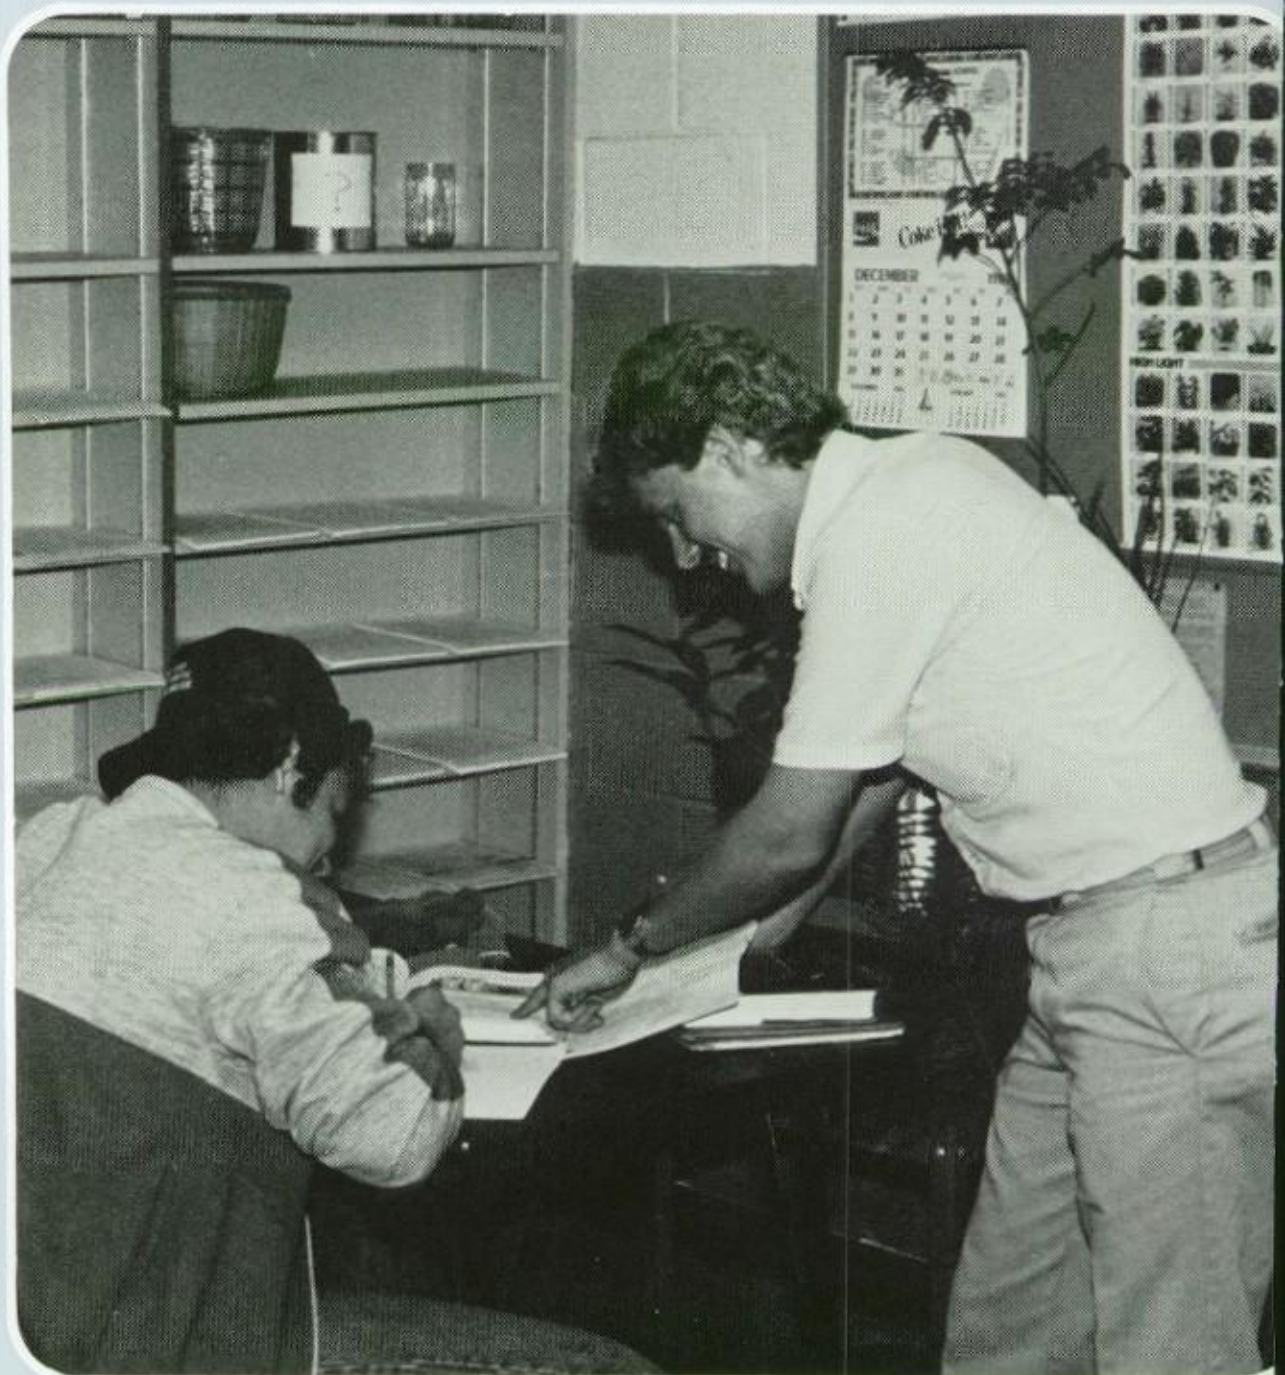

Led by Mr. Robert Janes, the Nurserymen's Association aids in the beautification of our school. It is their task to manage the garden by the vocation centers, or "land labs", and to use their ornamental horticultural skills to make barren parts of the school appealing to both visitors and students eyes. After planting the shrubs, trees, and flowers, it is also their job to keep them attractive through the year by watering, trimming, and weeding them. The Nurserymen's Association is affiliated with FFA, and several of its members will actually become future farmers of America.

Members of Ridgewood's Nurseryman's Association are: Brian Beckman, John Savage, Robert Osteen, Jim D'Hondt, Dawn Guthrie, Fred Hudson, Chris King, Ed Mahoney, John Maruca, Eric Niles, Neal Patsches, John DeCubellis, John Brown, Kevin Reich, Don St. Croix, Andy Phillips, Andy Kempf, Phil Mulliner, and Mr. Robert Janes.

# NIBBLES AND BYTES

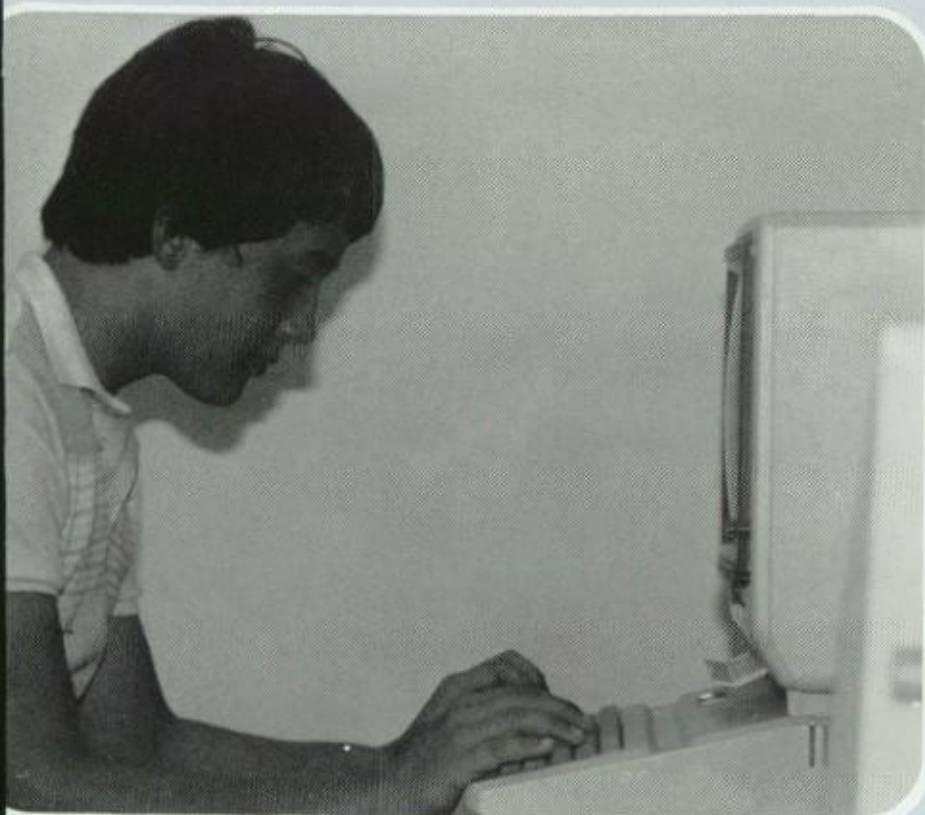

As the world becomes more technologically advanced with each passing day, so do the clubs at Ridgewood High School. The computer club is an example of this. As club sponsor, Mr. Harold Heath has strived to show members of the club the ever increasing uses of computers in our society. Every Wednesday after school, members of the club united to solve a common problem with the computer. However, club members rarely limited their talents to solving problems, they also enjoyed playing and creating games. Members are: Frank Smith, Tony Fodera, Greg Gilchrist, Bryan Gilchrist, Jason Wandack, Pat White, and Derek Hernandez.

Frank Smith and Tony Fodera work on their projects.

# SPORTS

Through the year we have watched as our Rams experienced the thrill of victory and the agony of defeat.

With this year we became a full fledged high school. No longer can Ridgewood claim it wasn't fair, they're bigger. Being new to the game, we definitely held our own providing an outstanding year in sports. We can be proud of all our Rams, with their new found players and advantage, we can expect to be proud of them in the future also.

The emphasis on learning, is the first step on becoming the champions of the future.

Captain Julie Stenger was chosen as one of the ten finalists for All American Cheerleader out of over 300 girls.

The 1985-86 school year produced the best varsity-football cheerleading squads Ridgewood has ever known. It included the most talented and spirited girls the school could offer. Working as a team, they strived for one common goal — to cheer the best they could for the school they loved most. On the road to excellence, they attended cheerleading camp at which they achieved some of their dreams. Throughout camp, they were judged superiors on many occasions. By demonstrating cooperation, dedication, skill, spirit, and friendship, they were chosen as one of the five Award of Excellence finalists out of forty squads.

Soccer has not been a well noticed sport in our school, just look at most of the turn-outs at each game. Hardly comparable to football or basketball. This is why Coach Houle worked to get Soccer noticed in Pasco County. In 1983 the Ridgewood Junior High Soccer team went undefeated. It is only right for them to be the first High School team in the county to go to state competition; what a great way to get recognized.

First they won Districts, after that they won Regionals against Orlando. Then unexpectedly they won Sectionals against number one ranked Daytona. Soon it was off to State. The games were played at Ridgewood, home turf. There they got the recognition they deserved. The stadium was packed unlike before. Neither football nor basketball had such a turn-out.

However we were beaten in the last round before the final championship game. Our eyes were full of tears, but we cheered them on with a sense of pride as they walked into the locker room.

Since both first and second place teams are private schools, our school has the distinction of having the number one public school Soccer team. Nothing to be ashamed about.

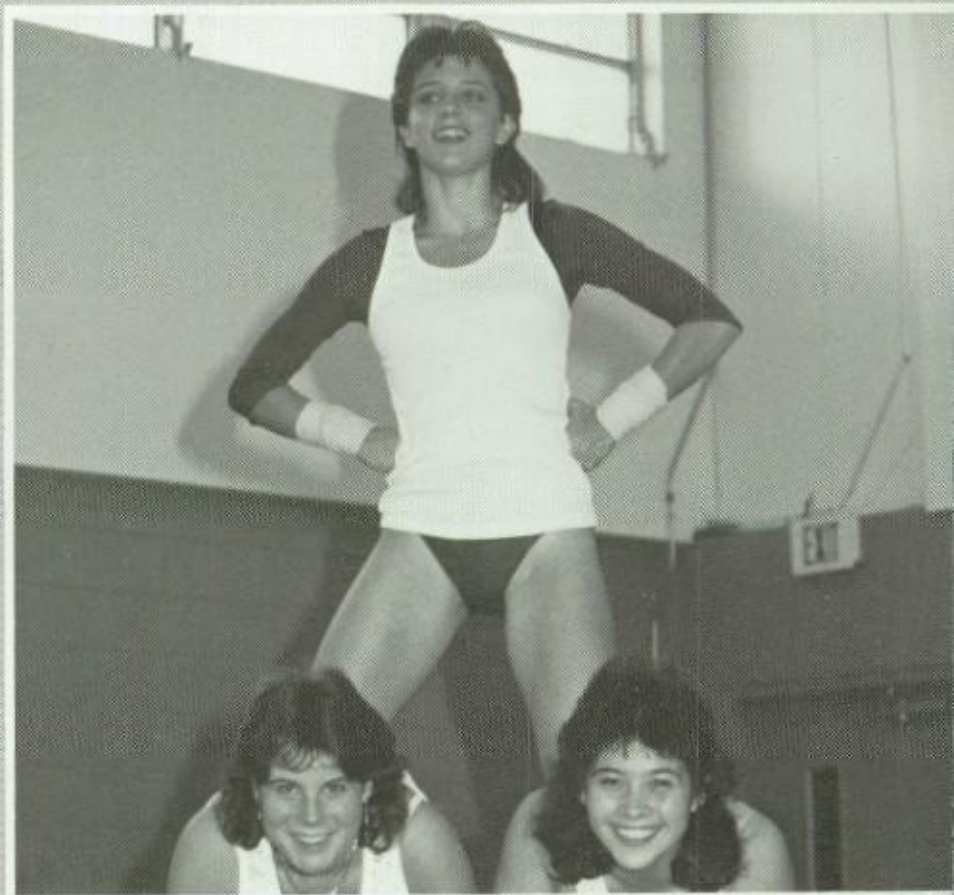

This page is dedicated to the soccer team who worked very hard to make it to state competition. Though they lost the State Championship, we at Ridgewood consider them to be true champions. We would like to wish the senior class athletes well on the soccer team and every other team when they leave Ridgewood.

The 1985-86 school year has been impressive for all Ridgewood sports. Their records have either been maintained or improved. We would like to congratulate all Ridgewood athletes, because in our hearts and minds they are all number one.

# CLOSING

Well the time has come for the year  
to end, and also the book.  
It's been our first and our finest but  
just remember,  
When the hoopla is over, and the  
year is done,  
We leave this place, with our  
memories,  
Ready to create new ones, and  
face everything  
with some confidence, some fear,  
but most of all, pride.

I would like to dedicate this page to MY FRIENDS, each of whom has shared with me special moments I can never forget. Whether I mention an ongoing joke or an instance of fun, my memories of you will last forever. Also, I would like to thank the faculty and staff for helping me. All of you have played a great role in my years at RHS.

Space did not allow for everyone — I'm sorry. The impression of your name may not be on this page, but it is in my heart!

Lots of love and good wishes,

*Kelly Klein*

# The 1986 Rampage is dedicated to the memory of Tony Vellucci, Lorri Skrzypinski and the crew of the Space Shuttle Challenger

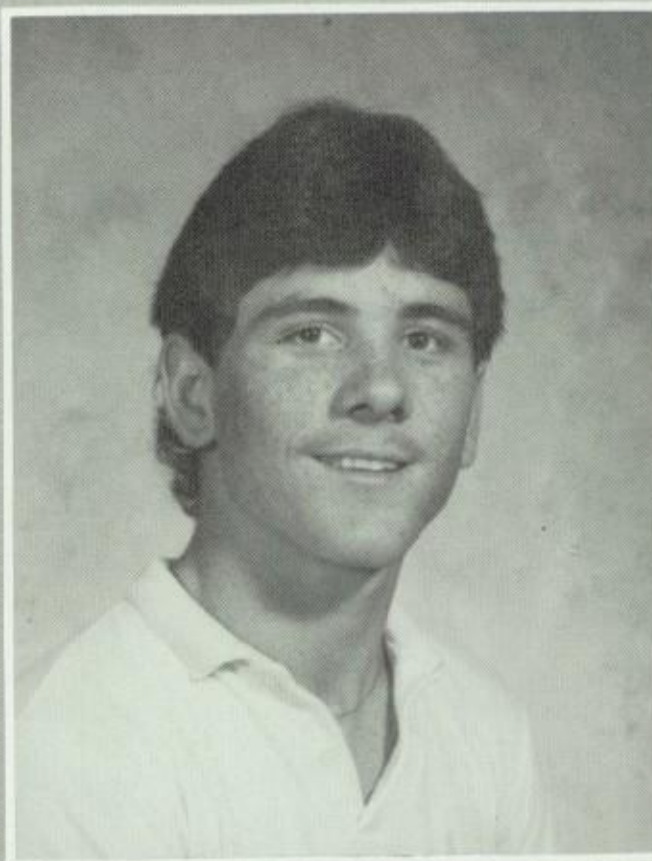

Dear Lorri,  
 Please forgive me for all the things I've  
 said and done. There was no purpose for  
 the fight I thought I'd won. It wasn't worth  
 the pain my heart suffered through during  
 the few weeks I tried not liking you. No  
 matter what happened in the past, I  
 hoped our friendship would always last.  
 Now it's too late to say I'm sorry, so I'll go  
 leaving this one thought in mind ... I'll  
 never forget you.

# FINALLY

The year has come to an end, with the production of an outstanding yearbook. It doesn't seem like it was that long ago when we came to Ridgewood for orientation. Many of us have grown up together, going to the same elementaries — Schrader, Cypress, Calusa — and now we are graduating together. The final days of high school are drawing near, after which many of us will be flying off to college. This may be the last time some seniors will see each other. First class, first homecoming, first prom, and now first graduation. Next step . . . first class reunion. I'd like to give special thanks to Mrs. Calhoun and Mr. Sbani for their photographic expertise throughout the year. Extra special thanks go to Mrs. Taylor, who has earned my eternal gratitude, love, and respect, for putting up with me and the Rampage staff. For my staff, what can be said? We've been enemies and friends, opponents and partners, usually within the same class period, but you are all still the very best there is. To the rest of Ridgewood, there is no better and although many of us are leaving, the memories we have will be kept forever. Good luck with all that the future may bring.

Coach  
Rivis:

well it's been  
fun this year you-  
visiting with you-

you taught me how to  
change a typewriter's ribbon!  
well I'll see ya again next  
year! p.s. don't let Julie bug you  
too much 'cause you'll turn out  
just as fruity as her! See ya next year!

Wire!
